

# The University of Tennessee Health Science Center College of Graduate Health Sciences College Policies

Document Name: Credit Hours - Non-degree  
Effective Date: January 26, 2016  
Document Status: Approved

## Purpose

This policy defines credit hour limitations for students who are not enrolled in a College of Graduate Health Sciences degree or certificate program.

## Policy Details

Individuals who are not enrolled in one of the College's degree or certificate programs may register for College of Graduate Health Sciences courses by completing the appropriate non-degree student forms from the Registrar's office. Registration for the course(s) requires approval of the Instructor(s) and the Dean. The non-degree student is responsible for all tuition and fees

A non-degree student cannot accumulate more than nine (9) credit hours of coursework. To enroll for additional courses once the limit is reached, a student must be accepted into one of the College's degree or certificate programs and be actively enrolled in that program.

## Policy Scope

Applies to all non-degree-seeking students.

## Related Policies

none

## Definitions

Non-degree student. A student who has not been accepted into and actively enrolled in one of the College's degree or certificate programs.
